STAFF HIGHLIGHT

"Hello! My name is Chloe Doerr or Ms. Doerr. I just finished student teaching in Ryan McCarty's Kindergarten class, and will be graduating from GVSU on April 27! I am now a long term substitute for Mrs. Fogg's second grade class!"

CLOTHING NEEDS

We occasionally have students in need of a change of clothing at school. If you are spring cleaning your child's closet and have any leggings/athletic pants in large, small, or extra small sizes, that you were going to donate, we would gladly make use of those. We would also appreciate any donation of new boy's underwear. ***If your student has needed a change of clothing at school, please launder those items and have your student return them to the office.***

MEDIA MAKER

ZPS is excited to announce a new opportunity for elementary students for the 2024-25 school year. Next fall, Young 5's through 5th grade students will participate in a new special called Media Maker. A Makerspace is a transformative learning environment that uses literature to engage students in collaborative inquiry and hands-on exploration. Please follow this [link](#) to learn more.
