

FREQUENTLY ASKED QUESTIONS ABOUT SCHOOL MEALS AND SUMMER EBT

Dear Parent/Guardian:

Children need healthy meals to learn. **Zeeland Public Schools** offers healthy meals every school day. This school year (2023-24) we will be offering qualifying complete meals free to all students.

A qualifying complete meal must meet state requirements. There are five components offered to make up a "complete meal", protein, grain, fruits, vegetables, and milk.

For lunch **three of the five components are necessary (and one of them MUST be ½ cup of fruit or vegetable) on your child's tray in order for it to qualify as a complete meal.**

Breakfast also requires students to take three of the four components offered (**one needing to be a ½ cup fruit**).

If your child takes milk only, they will be charged the full price of 60 cents as this is not considered a complete meal.

A la carte items are also available to purchase at the middle schools and high schools. These items are not covered as part of a free benefit and will be charged to the student's account accordingly.

We strongly encourage every household to complete a School Meals and Summer EBT application. Many other benefits are still determined by the status of this application (Rec discounts, Testing discounts, etc.).

Your child's application is only good for that school year and for the first few days of this school year, through **October 11, 2023**. You must send in a new application unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
